Ten Creepy Books Intermediate Reader

"The Blue Ghost"
By Marion Dane Bauer
J MR BAU

Liz is visiting her grandmother in an old house in the middle of the woods. It already sounds like a scary movie, right? She wakes up to a ghost calling out the name Elizabeth. What does it want?

"Black Lagoon Adventures" series
By Mike Thaler
J MR THA (Series)

Do you remember reading that picturebook series about a monster-filled school? Well the kids are back in these chapter books to convince you that their teachers really are the scariest!

"Notebook of Doom" series
By Troy Cummings
J MR CUM

Alexander finds a notebook that has "DOOM" written across it. It contains information about monsters inside and the adventures that ensue are hilarious!

"A Series of Unfortunate Events" series
By Lemony Snicket
J FIC SNI (Series)

"Proceed, but cautiously," the book boasts of its horror. The Baudelaire children face mishaps one after the other in this series by renowned Snicket.

"The Witches"
By Roald Dahl
J MR DAH

According to Grandmamma, witches are the most dangerous creature of all. Though her grandson listens closely, what will happen when he meets one?

"Magic Trixie" series
By Jill Thompson
J GRAPHIC THO

No one takes Trixie seriously. Not her parents, not her friends. And her baby sister gets away with everything! She has to prove herself somehow.

"Bunnycula" series
By James Howe
J MR HOW (Series)

There's a new pet in the Monroe house: a rabbit. But there's something strange about him. He looks like he has fangs and vegetables are drained of their juice. Can the family dog and cat crack the case?

"The Unsolved Mystery" series
By Various Authors
J non-fiction

This series talks about unsolved mysteries in an informed manner at a first/second grade reading level. Reports of encounters are taken into consideration and it ends with "What do you think?"

"Library of Doom" series
By Michael Dahl
J MR STO (Series)

The Librarian is very mysterious, but as the keeper of the world's most dangerous books that seems about right. This fast-paced, thrilling adventure series from Stone Arch will have you coming back for more.

Edge Books "The Unexplained" series
By Various Authors
J non-fiction

Similar to "The Unsolved Mystery" series with its informative manner, "The Unexplained" covers a range of topics surrounding the weird. This detailed research is presented at a fourth grade reading level.
