Ten Non-Fiction Books Intermediate Reader

“Queen of the Falls”
By Chris Van Allsburg
J-B TAYLOR, A.

When Annie Taylor went over Niagara Falls in a barrel at sixty-two years old, she was not what people were expecting. Will Annie find fame and fortune?

“Rhino Rescue!”
By Clare Hodgson Meeker
J 599.66 MEE

When Dereck and Beverly meet rhinos in trouble, they know they have to get them to safety. These true stories of animal rescue will have you cheering.

“Who Was/Is?” series
By Various Authors
J biography

Want to learn about someone who did something amazing? This series contains over 100 titles alongside What Was? and Where Is? Penguin provides educator resources for all three series on their website.

“13 Artists Children Should Know”
By Angela Wenzel
J 709.2 WEN

The thirteen artists that Wenzel says children should know about are presented in a chronological manner, conducive for introduction to art history. Activities teach the significance of each artist.

“If You Lived Here”
By Giles Laroche
J 392.36 LAR

Learn about the fascinating similarities and differences among the homes people live in all over the world. Each dwelling has a purpose that Laroche uncovers for the reader, accentuating the similarity of “home.”

“Gail Gibbons Non-Fiction”
By Gail Gibbons
J non-fiction

Gail Gibbons has written and illustrated more than fifty non-fiction titles. Each book contains a wealth of information on the topic with stunning illustrations that engage the reader.

“Mesmerized”
By Mara Rockliff
J 507.21 ROC

Dr. Mesmer has the people of Paris convinced that he’s magic. But Ben Franklin knows that something else is up. Through the scientific method, can he figure out Mesmer’s trickery?

“Magic Tree House Fact Tracker” series
By Mary Pope Osborne
J non-fiction

When Jack and Annie get back from an adventure, they usually have more questions than they started with. This companion series to Magic Tree House answers those questions! Read the fact and fiction.

“Citizen Scientists”
By Loree Griffin Burns
J 590.72 BUR

Learn how to get involved with gathering data for ongoing scientific studies. Get outside and help organizations like Audubon or FrogWatch.

“You Wouldn't Want To” series
By Various Authors
J non-fiction

You wouldn't want to, right? After reading a title from this series you will know for sure that it wouldn't have been fun to live like that!
