

April Vacation Week Programs

(April 18 - 22, 2017)

Please register to attend these programs online, in person, or by calling the Children's Department at 978-686-4080 ext. 26. To register online, hover over Events located on the opening page of our website, then click the link for Calendar of Events.

April 18 (T) Scavenger Hunt Day (All Day)

Our scavenger hunt will feature finding Signs of Spring (Best K to Grade 6)

April 18 (T) at 6:30 pm - Family Storytime (3 to 8 year olds)

Come join the fun. All participants will listen to stories, sing songs, play a game and make a craft. Theme: A Royal Celebration

April 19 (W) at 10:00 am – Discovery Zone: Wind Power (4th to 6th grade)

Our discovery zone theme is wind power. We'll provide the basic building materials to construct a model wind turbine and test it out. We will also make a CD hover craft.

April 20 (Th) at 10:00 am - LEGO Block Party (K to 4th grade)

Bring your imagination and have fun creating things. The library supplies lots and lots of LEGO blocks to build with. Before you leave, we take pictures of what you built to post on our website.

April 20 (Th) at 6:15 pm – Family Flicks: Moana (K and up) **FREE ADMISSION**

Family Flicks! It's a cheap, fun night out with the kids. A parent or designated adult caretaker must be present with your kids so you can spend some time together. You may bring a light snack from home to munch on while you watch the movie together. Kids can come in their PJs. Please register.

April 21 (F) at 9:30 am – Babies & Books (up to 24 months)

A language enrichment program featuring songs, movement, books & bubbles. A parent meet & greet time too! No registration is required and big brothers and sisters can come as "helpers."

April 21 (F) at 10:30 am – Storytime for Two Year Olds

All participants will listen to stories, sing songs and play a game. There are new themes for each session.

April 22 (Sat) at 1:00 pm - Earth Day Celebration (K to 3rd grade)

Come celebrate Earth Day and learn ways to conserve resources at home. We will play the recycle sorting game, create a craft from recycled materials and read a few stories too!
