Program Descriptions

Babies and Books (up to 24 months)

This language-enrichment program features songs, movement, books, and bubbles followed by parent meet-and-greet time. **No registration is required**, and older siblings are welcome to attend.

Little Bookworms (Ages infant-5)

Bring your young animal lovers to the Nevins Farm MSPCA, where they will listen to stories and meet animal friends. This program takes place outside, so you might want to have a blanket or folding chairs to sit on; in case of inclement weather (rain or extreme heat) the program will be cancelled. **No registration is required.**

Read and Play (Ages 2-5)

Your preschoolers will enjoy this fun half hour of stories, songs, and activities that encourage a love of books and promote early literacy skills.

Bilingual Playgroup (Ages 3-5)

Enjoy this bilingual English/Spanish storytime presented by our community partner, the Coordinated Family & Community Engagement program (CFCE). You don't have to be bilingual to come — all are welcome!

Blast-Off Theater (Ages 3-5)

You've heard of *drive-in* movies, right? Well, how about a short *blast-off* movie in honor of our "spacey" summer reading theme? Come decorate a cardboard-box spaceship and then park it in front of our movie screen to watch a short film.

Storytime for 3-5s

In these lively programs, children listen to stories, play a game, and make a craft. Each session features a new theme.

Beloved Books Storytime (Ages 3-8)

Everyone has favorite books, authors, illustrators, and story characters — in this storytime, children listen to stories, play games, and make crafts that focus on a different favorite each month.

Family Storytime (Ages 3-8)

Wrap up your day with your children at this evening storytime, where they listen to stories, play a game, and make a craft. Each session features a new theme.

A Healthy Me (Ages 3-8)

Come meet Dr. Anne Barlow-Barry, a family practice physician at Derry Medical Center in Windham, NH, who will read stories and answer any questions you might have about being your healthiest self.

Mr. Vinny's Shadow Puppet Show

(Ages 3-8) In this remarkably creative (and sometimes silly) show, Mr. Vinny brings classic stories to life using just an overhead projector, puppets, and shadows — and lots of audience participation

Storywalk at the Tenney School Methuen

Fairy Walk Visit the Tenney school to view fanciful fairy house creations and to take a storywalk provided by the Nevins Library's Children's Department.

Rainforest Reptiles (Ages 4-11)

This traveling animal show features reptiles of all kinds, including frogs, turtles, snakes, lizards, and alligators! Come learn about their rainforest habitat and incredible stories and, if you'd like, take a turn holding a snake or alligator at the end of the program.

Story & Craft (Ages 5-8)

These programs focus on making crafts after listening to stories.

Dinoman Space! (Ages 4-9)

Our Summer Reading Kick-Off event is a fast-paced and fun program with Dinoman — who uses giant inflatable dinosaurs, meteors, comets, liquid air, and (believe it or not) a goldfish to take children on a truly unusual exploration of outer space.

LEGO Block Party (Ages 5-9)

Bring your imagination and have fun creating! The library supplies lots of LEGOs to build with and, if you'd like, we'll put photos of your creations on our Facebook page.

Fun with Squishy Circuits (Ages 9-11)

In this hands-on science program, children will learn how to use clay to make a simple electrical circuit — and then model the clay to create an "unearthly" light-up object!

Halloween in June (All ages)

Who wants to wait until October for an occasion as fun as Halloween? The whole family can get a head start on the spooky festivities by donning costumes and joining us for some summertime Halloween happenings!
