# Program Descriptions

## Babies and Books (up to 24 months)

This language-enrichment program features songs, movement, books, and bubbles followed by parent meet-and-greet time. **No registration is required**, and older siblings are welcome to attend.

## Read & Play (Ages 2-5)

Your preschoolers will enjoy this fun half hour of stories, songs, and activities that encourage a love of books and promote early literacy skills.

## Bilingual Playgroup (Ages 3-5)

Enjoy this English/Spanish storytime presented by our community partner, the Coordinated Family & Community Engagement program (CFCE). You don't have to be bilingual to come — all are welcome!

## Science Explorers (Ages 3-5)

Science Explorers uses children's picture books and hands-on activities to explore the world of science and math.

## Storytime for 3-5s

In these lively programs, children listen to stories, play a game, and make a craft. Each session features a new theme.

## Donuts with Dad (Ages 3-6)

Children and their fathers, grandfathers, or uncles are invited to this tasty storytime — not only to listen to stories and make a craft, but also to enjoy donuts and juice!

## Story & Craft (Grades K-3)

These programs focus on making crafts after listening to stories.

## LEGO Block Party (Grades K-4)

Bring your imagination and have fun creating! The library supplies lots of LEGOs to build with and, if you'd like, we'll put photos of your creations on our Facebook page.

## "I Survived" Book Group

(Grades 2-4) This new book group will discuss a different book from the popular "I Survived" series each month, as well as do hands-on activities related to the stories.

## How Well Do You Know Your Best

Friend? (Grades 4-6) Bring your best friend to this fun "quiz show" program and find out just how well you know each other!
