# Program Descriptions

## Babies and Books (up to 24 months)

This language-enrichment program features songs, movement, books, and bubbles followed by parent meet-and-greet time. **No registration is required**, and older siblings are welcome to attend.

## Halloween for 2s (Age 2)

A special storytime to celebrate Halloween with your toddler.

## Read & Play (Ages 2-5)

Your preschoolers will enjoy this fun half hour of stories, songs, and activities that encourage a love of books and promote early literacy skills.

## Bilingual Playgroup (Ages 3-5)

Enjoy this English/Spanish storytime presented by our community partner, the Coordinated Family & Community Engagement program (CFCE). You don't have to be bilingual to come — all are welcome!

## Halloween for 3-5s (Ages 3-5)

A special Halloween edition of our storytime sessions for 3- to 5-year-olds.

## Science Explorers (Ages 3-5)

Science Explorers uses children's picture books and hands-on activities to explore the worlds of science and math.

## Storytime for 3-5s (Ages 3-5)

In these lively morning programs, children listen to stories, play a game, and make a craft.

**Donuts with Dad (Ages 3-6)** Children and their fathers, grandfathers, or uncles are invited to this tasty storytime — not only to listen to stories and make a craft, but also to enjoy donuts and juice!

## Family Storytime (Ages 3-8)

Wrap up your day with your children at this evening storytime, where they listen to stories, play a game, and make a craft.

## Sensory Storytime (Ages 3 and up)

This relaxed and interactive storytime is designed for children with autism spectrum disorders, sensory integration issues, or other developmental disabilities, as well as their typically developing peers. Come for the half-hour program and then, if you'd like, stay even longer to socialize with other parents attending the program. Also, feel free to have your child bring a comfort or transitional item with them.

## Seeds Everywhere! (Grades K-3)

This fun nature program is inspired by "Plum Landing," PBS Kids' online science education website that's full of great ideas and activities for learning about the natural world.

## Story & Craft (Grades K-3)

These programs focus on making crafts after listening to stories.

## LEGO Block Party (Grades K-4)

Bring your imagination and have fun creating! The library supplies lots of LEGOs to build with and, if you'd like, we'll put photos of your creations on our Facebook page.

## "I Survived" Book Group

**(Grades 2-4)** This new book group will discuss a different book from the popular "I Survived" series each month, as well as do hands-on activities related to the stories.

**Book Chatters (Grades 4-6)** This book group focuses on a new genre each month. Refreshments will be served, and new members are always welcome.

## Harry Potter Party (Grades 4-6)

Celebrating the world of Harry Potter never goes out of style — come join us for some Potter party fun.

## OFF-SITE Spooky Stories at Greycourt

**Park (All ages)** Once again a Nevins librarian will be at Methuen's annual Greycourt fall festival to read aloud some (not too spooky) Halloween stories.

## Nevins Memorial Library Children's Room

305 Broadway  
Methuen, MA 01844
