

A Quick Guide for Using the Beanstack Tracker Mobile App

1. Download the Beanstack Tracker mobile app from the Google Play Store or Apple App Store.

2. Once you have opened the app, select "Find Your School or Library."

3. Then use the search function and type in Nevins Library in the search box.

4. Tap on the name "Nevins Library." A sign-in screen will appear for you to access your account.

How-to Videos for the Beanstack Tracker Mobile App

Use the QR codes below to view short videos that will explain how to log in the minutes and books you've read, as well as how to use the reading timer.

"How to Log Past Reading"

"How to Quick-Log a Book"

"How to Use the Reading Timer"
