Program Descriptions

Books & Bubbles (Ages infant-18 mos.)

This language-enrichment program features songs, fingerplays, stories, and everyone's favorite finale: bubbles! **No registration** required.

Stories & Songs (Ages infant-5)

Here's an entertaining program that gives families an evening option for their young children – join us for stories, music, and fun! **No registration** required.

Sensory Saturday (Ages 18 mos.-3)

This program gives our young patrons fun ways to engage their senses with various tactile experiences.

On the Move! (Ages 18 mos.-5) Not quite a storytime, not quite a dance party – but the best of both! Bring your active little ones to listen to stories and then dance, hop, spin, and shake off some energy! **No registration** required.

Imagine That! (Ages 2-5)

Bring your kids to enjoy stories and imaginative play – a fun program that fosters creativity and collaboration.

Messy Art (Ages 3-5) Kids will enjoy this art program, where they can have fun creating without worrying about making a mess! (Some of the mess might end up on their clothes, so make sure they're wearing a "stainable" outfit!)

Sprouting Scientists (Ages 3-5)

Youngsters will enjoy stories and hands-on activities that show them how fun and intriguing science can be.

Family Storytime (Ages 3-8)

Wrap up your day with your kids at this evening storytime, where they listen to stories and make a craft.

Donuts with Grown-Ups (Ages 3-8) Children and their adult caregivers are invited to this tasty storytime – not only to listen to stories and make a craft, but also to enjoy donuts!

Bilingual Storytime (Ages 3-6) Kids will enjoy this storytime in Spanish and English, plus a craft. *The program is co-presented with Greater Lawrence Community Action Council.*

Homeschool Hub (Ages 5-10) Come to the library to connect with other homeschoolers and explore a different topic each month.

Read to Murphy the Dog! (Ages 5-18) Sign up your child for a 15-minute session reading to Murphy the Dog, and build their enjoyment and confidence in reading!

Boredom Busters (Ages 6-9) Kids can't complain about having "nothing to do" on the Saturdays when we offer this program – just sign them up to enjoy a different activity each month!

Candy Construction (Ages 8-11) In this unusual program, kids will use candy and other materials to create structures (and maybe taste some of the edible components, too?).

LEGO Block Party (All ages) Kids just need to bring their imagination, and they can have fun creating with our huge supply of LEGOs!

Create, Explore & More! (Ages 9-11) Every month this program will offer a unique activity to engage kids in fun learning and creativity — so many ways to enjoy science, art & self-expression!

Book Babble (Ages 12-18) If your teens are fans of books and just can't stop talking about the last one they read, then this is the group for them!

Teen Arts & Crafts Club (Ages 12-18) Teens can bring their friends and drop in to see what they can create with our crafting materials.

Teen Gaming Club (Ages 12-18) At this fun program teens can learn new board and card games, play familiar favorites, or use our Nintendo Switch!

Teen Anime Club (Ages 13-18) If your teens are fans of anime or just curious about it, this is the club for them – where they watch and discuss their favorite anime, draw manga, or just hang out.

Teen Movie Club (Ages 13-18) Do your teens love movies? Then they should come to this program to watch and talk about films – and even help choose them!

Dinner and a Movie: Dog Man (All ages) Join us for a special screening of the newly-released DVD, *Dog Man* – and bring your dinner to eat while you enjoy the show!

SPECIAL EVENT The Poop Museum (All ages) Come listen to Susie Maguire, founder of The Poop Museum, as she enthusiastically shares fun, fabulous, and fantastic facts about human, animal, and insect poop – a scientific and hilarious program that will have kids laughing and learning at the same time!

Don't miss these all-ages special program this month!

*April 4
Dinner & Movie: "Dog Man"
&
April 23
The Poop Museum*
